Specialty Folding Cartons
From RTS Packaging

Our 40" press is perfect for your small folding carton project.

We specialize in smaller quantity runs, generally 10,000 to 200,000 pieces and smaller container sizes, 1 to 6 colors, aqueous coatings.

Call Us for our expertise with:

- 1 and 2 color "packer boxes"
- Small and large auto-bottom cartons
- 4 and 6 corner beers trays
- Standard 4 and 6 pack carriers
- Display cartons
- Side score, sleeve type cartons
- Heavy weight cartons (up to .030" caliper)
- High-end die cuts

Choose your preferred substrate:

- Clay coated news back (CCNB)
- Solid Unbleached Sulfate (SUS)
- Kraft pack
- Full bending chip (FBC)
- Solid Bleached Sulfate (SBS)
- Poly and specialty boards

Typical Market Applications:

- General medical and bio-tech
- Specialty component manufacturers
- Specialty packaged foods
- Electronics and automotive
- Confectionery
- Specialty beverage
- Personal care products
- Over-the-counter products
